

# Online Banking Web Connect Conversion Quicken Windows 2011

**A**s your financial institution completes its system conversion, you will need to modify your Quicken settings to ensure the smooth transition of your data. You will need your customer ID/Password, PIN and security questions. You will be prompted to reset your security questions.

**I**t is important that you perform the following instructions exactly as described and in the order presented. If you do not, your online banking service may stop functioning properly. This conversion should take 15–20 minutes.

This update is time sensitive and can be completed on or after [October 10, 2011](#).

## Back Up Your Current Data

1. Choose File menu → Backup and Restore → Back up Quicken file.
2. Specify where to back up your Quicken file → click Back up Now.

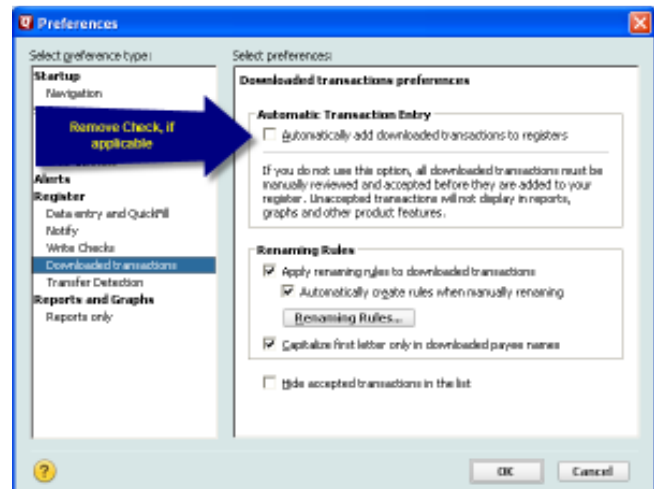

## Download the Latest Quicken Update

1. Click on the Tools menu and select One Step Update (If the Password Vault prompt appears, click Cancel).
2. Uncheck all boxes → Update Now in the One Step Update Settings dialog.
3. If an update is available, Quicken will provide a description of the update and brief instructions for receiving the update.
4. When the update is completed, close and reopen Quicken.

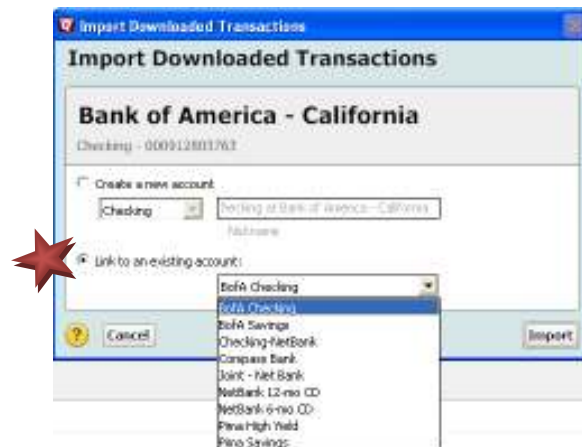

1. Click on the Edit menu → click on Preferences → Quicken Services
2. Select Downloaded Transactions in left column
3. Remove check from “Automatic Transaction Entry”, if applicable
4. Click OK

## Activate Web Connect

1. Log into your financial institution’s website from an external browser to initiate a download of a Web Connect file into Quicken (.QFX). When presented with the screen below, choose the "Link to an existing account" radio button and select the appropriate account from the menu.

2. The One Step Update Summary screen will appear, confirming the account updated successfully.
3. Complete steps 1 and 2 to reactivate each account for online banking.

**NOTE:** Now the account will be connected via Web Connect. Quicken may prompt to activate One Step Update after a successful Web Connect download. Please select No do not activate and check the box to not be prompted again.

**Congratulations, you have completed the necessary changes!**
